Terms & Conditions

following terms and conditions:

We handle your personal information in a secure manner. You must provide the necessary personal details to be able to sign documents. We store your date of birth, name, address, mobile number and email address in our internal database. This is personal information you have provided to us, which is necessary to be able to carry out our obligations to you as a signatory. We do not share any of your information with third parties.

When you use CatchSign we will log which operating system your device uses, your IP address and which geographical area you are in at the time of signing. All signed documents are stored in our internal database. These documents are only available for the core system and via your access on your device.

Norwegian Exporters needs this app to sign the Norwegian Catch Certificates.

Fishermen (skippers)/customers connected to one of the five Norwegian sales organisations needs this app to sign sales- and landings- notes.

A signed document will consist of your full name, the date and time and your position (GPS) when you digitally signed your document.
